

CATCH THE WIND!

The Tribute by Nauticraft...

This sprightly little sailing dinghy is a throwback to the days when a sailboat wasn't a sailboat unless it had at least two sails, no matter its size. Yet, here is the sloop rigged Tribute with modern lines, produced of contemporary materials and methods.

5980 Grand Haven Road
Muskegon MI 49441
(231) 798-8440
